

Spring Clean Up Day

Town Barns

Saturday, April 20th 8:00 a.m. - 5:00 p.m.

Open to Town of Middlesex Residents ONLY

This year, the Town of Middlesex is holding a Spring Clean Up Day. Over the years we have worked to develop a smooth process, which will be the same on April 20th.

Please note, however, NO ELECTRONIC DEVICES WILL BE ACCEPTED at this collection. The late summer Clean Up remains planned for 2024 where electronics will be accepted as usual. We appreciate your cooperation and look forward to a successful event.

In order to ensure compliance with DEC regulations and to facilitate work flow, we have added additional staff and we will have more dumpsters on site. Staff at the gate will verify residency and control the flow of traffic.

Please note that all materials must be sorted by metal, wood and other debris - NO HOUSEHOLD GARBAGE WILL BE ACCEPTED. If debris includes tires, there will be a \$2.00 charge per tire. **Any appliance with Freon (including air conditioners, refrigerators and freezers) must be accompanied with proof of removal of the Freon by a certified technician.** (For a list of certified technicians, please refer to the Yellow Pages listing under "refrigerating equipment.")
